

UNION KITCHEN WINE & SPIRIT LIST

General Manager and Beverage Director: Vish Badami
Assistant General Manager: Jill Feldman
Bar Manager: McKayla Roy

Our wine list focuses on farmers and producers who are committed to quality winemaking. These producers often follow organic, biodynamic, and sustainable practices.

Most importantly, we feel that wine should be delicious and speak to a sense of place. Whether you're looking to spend \$40 or \$500, our team would love to help you find your new favorite wine bottle.

Our spirits represent benchmark producers in most categories. Like our wine list, we often seek small batch producers using the best ingredients.

WHY BIGGER IS BETTER:

The aging process of wine in a magnum takes longer than in a 750ml bottle due to less overall exposure of oxygen (through the cork). They keep wine younger and fresher.

There are only 8 glasses per magnum...

So tonight, go big.

They also look cool.
